# Welcome to RDK Medical

RDK Medical specialises in the sale and acquisition of medical businesses within the private pay UK healthcare sector. Our experienced team work with business owners across the UK to support their exit strategies - and with those planning to expand or invest and looking for their next acquisition within the sector.

Our expertise in this field has allowed us to gain extensive knowledge of related businesses and suppliers, ranging from medical equipment manufacturers to specialised transportation services.

Explore our portfolio to see some of the hand picked businesses we currently have available.
